

Profilo bath seat

- With backrest - 812139

- **Adjustable width to fit most bathtubs**
- **Corrosion-resistant aluminium frame**
- **Easy-care material**
- **3-height adjustable seat**

The Profilo bath seat allows the user to bathe comfortably and safely while seated. A choice of three seat heights is available: the high seat is particularly suitable for people with reduced mobility but are able to swing their legs over the edge of the bath while seated. The lower seats allow the user to sit below the level of the bath rim.

High-quality construction, it is easy to install without tools on the rim of the bath and remains firmly in place. The width of the seat's side supports is adjustable, so the Profilo fits most bath models.
