

Fiji Flip-up arm support

- 55 cm - 815058

- 76 cm - 815059

- **Large diameter grip**
- **Equipped with a useful paper holder**

Ideally placed next to a toilet, our Fiji support arm allows you to take a secure support to get up from the toilet. It rises up against the wall to give you space to move around. Its quality mechanism automatically locks it in the raised position. Equipped with a useful paper holder.

Large 32 mm diameter grip.
Weight supported : 113 kg
2 lengths available.

Variantes :

- 55 cm
- 76 cm
