- **Extra siliconised waistband for extra safety**
- **French manufacture**

Waterproof swimwear for children, men or women for swimming in the pool or the sea in complete safety. Very comfortable with wide elastics at the waist and legs to ensure watertightness in the pool. An absorbent urinary protection can be inserted.

Plastic material 100% PVC especially resistant to chlorinated products used in swimming pools or balneotherapy. Machine washable up to 90°C.

Do not tumble dry.

Can be worn as it is or under a swimming costume.

Characteristics of available sizes :

- 6/8 years and 34: waist circumference 52/56 and 56/60 cm
- 36 and 38: waist circumference 60/64 and 64/68 cm

- 62: waist circumference 136/140 cm
- 64: waist circumference 140/148 cm

Because of body movements in water, a perfect seal cannot be guaranteed. It only limits or prevents faeces from entering the water and does not guarantee a seal against fluids coming from outside.
