

Sarneige Jump Mat

- 552009
(Disponible sous 30 jours)

- **One side firm and one side soft**
- **Extra thick 7 cm**

A cushioning mat with a firm and a soft side, 7 cm thick. This mat is ideal for safe cushioning of floors. It combines a cushioning polyurethane foam with a stabilising polyethylene foam. A hook and loop tape all around the mat allows it to be glued to other mats to form a safe play area. Practical carrying handles. Grey side for firm, orange side for soft. Very soft cover, M2 fire rated, waterproof and washable.

Dimensions : Length 200 x width 100 x thickness 7 cm.
