

Strong suction cup grab bar

- **Extendable bar for adjusting the length by 12 cm**
- **High-performance rubber suction cups**

The Strong suction cup grab bars can be installed anywhere to ensure safety without having to drill unsightly holes in wall tiles or walls. They can be installed in seconds without tools. Their thick rubber suction cups guarantee a very secure hold. They can be moved around as needed and are ideal for travel. Press the two side levers and it will hold firmly on all smooth surfaces (tiles, ceramic, glass, lacquered paint, PVC shower cubicles, etc.). The Strong grab bar can be extended to adjust the length by 10 cm to suit the tiles on your wall.

Available in 3 different lengths: 44/56, 55/68 and 65/78 cm.
Maximum user weight : 40 kg.
