- **Very light: only 200 g !**
- **Soft material easy to put on**
- **High adjustment capacity**
- **Chinrest and comfort interior**

Our new safety helmet is padded with Care Shock absorbent foam, ideal for people at risk of falling. It is made of a comfortable cotton jersey inner lining and an extra strong coated fabric on the outside. The back of the helmet has 2 wide elastics to adjust to different head sizes. Equipped with a chin strap and a quick-release buckle.

French manufacture.

Colour aqua blue.
