

Reusable protective armchair cover

- 801025

This reusable protective armchair cover is made of a fabric composed of 4 layers specially developed for their absorption and resistance to washing. The water-repellent polyester fibres absorb liquids while keeping the patient dry. OEKO Tex standard. Wash at 90°.

Dimensions: 45 x 45cm.
Made in France

Also available to protect your bed in dimensions 85 x 75 cm.
