- 855100

The Végélya articulated travel pillow, is designed to support the user's neck in the most challenging positions. The exceptional support provided by this unique foam allows for a comfortable resting position without discomfort. It can be moulded into any shape desireddue to its internal 'spine'.

Length 70 cm x diameter 10 cm.

Material: D50 viscoelastic memory foam enriched with bamboo activated carbon.
Grey velvet covers 75% cotton – 25% polyester.
Thick anthracite grey velvet cover, machine washable at 40°.

This comfort range offers exceptional comfort and high-quality components. The Vegelya foam used is a highly resilient viscoelastic memory foam enriched with bamboo activated carbon.
The benefits of memory foam :
It allows the user to float in the pillow or cushion by moulding itself to the shape of the body. This high-resilience foam provides exceptional comfort by preventing pressure points on the skin, while allowing air to circulate to keep it cool.
The benefits of bamboo activated carbon :
Bamboo has renowned temperature-regulating properties, helping to limit heat build-up and absorb moisture from your foam. Activated carbon prevents bacteria and dust mites from accumulating inside the cushion.
