Swivel shower chair

- 812207

- **Easy swivel action by means of the lever under the seat**
- **Stable, comfortable chair with armrests**
- **Ideal for home use**

A very practical shower chair that allows the user to rotate in the shower. In a small shower, it is easier to sit facing the door and then turn towards the taps.
Epoxy steel frame and comfortable seat.

This product is not recommended for intensive use in communal facilities.
