

Poncho Plus

 Waterproof clothing that can be put on quickly without leaving the chair in case of rain

The Poncho Plus can be quickly slipped on in case of rain without leaving the wheelchair. It is equipped with a hood with drawstring and a zippered opening at the chest, which can be operated from both sides. It has two openings for push bars, an inside pocket, a reflective strip at the back, and two straps on the sides.

Waterproof fabric.

One size fits all (front length 98 cm)
