

Luxe reading cushion

- 855118

- **Exceptional manufacturing quality and finish**
- **100% Made in France**

The Luxe reading cushion is a very comfortable back cushion with armrests. It allows the user to sit comfortably in bed for reading and relaxation. Its backrest adapts perfectly to the body shape with its polyester fibre filling. The armrests are filled with very comfortable polystyrene microbeads that mould perfectly to the body. The comfortable 100% polyester quilted cover is removable and washable at 40°.

Exceptional manufacturing quality and finish.

Dimensions: width 65 x depth 50 x height 50 cm.
