- Presentation video available below

Its memory foam design provides firm support for the cervical vertebrae and optimal head support for a good night's restorative sleep. Our aerated Vegelya foam is enriched with natural castor oil and activated bamboo charcoal for a prolonged feeling of freshness and natural odour absorption properties.

The openwork foam gives you the freshness you need for a good night's sleep by allowing air to circulate freely.

The ultra-comfortable cover is Greenfirst certified, the only 100% natural anti-dust mite and mosquito treatment.

It is enriched with Aloe Vera for extra softness. Our Vegelya Premium pillows are guaranteed Tüv ToxProof, which guarantees the total absence of harmful substances and pollutants.
