

## Dosett pill dispenser

- Maxi - 817184

- Weekly pillbox with 4 daily doses of medication
- The maxi one includes braille inscriptions

The Dosett range has been designed for the transport and storage of medicines for the home. It is available in two different sizes according to the needs of each user. The Swedish manufacturing quality is very important in the handling of the different elements and compartments.

Dosett Medi pillbox: (this model is no longer available for sale).

Allows you to follow complex treatments. In a weekly box, it allows to have 4 daily doses of medication over a week. This weekly box can be refilled by taking out the complete tray with 28 compartments. The size of the compartments makes it possible to put many capsules or tablets (L 21 x W 18 x D 15 mm). Delivered with prescription cards. It has a child lock that you can install or not.

100% French version. Turquoise colour.

Total dimensions: L 155 x W 103 x H 28 mm.

Maxi Pill Dispenser :

The Maxi model is reserved for patients who have a treatment with many pills and tablets, thanks to its large compartments (L 23 x W 23 x H 22 mm). Ideal for 4 daily doses over 7 days. This weekly pillbox can be refilled by taking out the complete tray with 28 compartments.

Supplied with prescription card. It has a child lock that you can install or not. 100% French version. Red colour.

Total dimensions: L 208 x W 133 x H 40 mm.
