

Chopping board

- Standard - 817188

- Board and mandolin - 817189

- Model with / without grater
- Dishwasher safe

Our cutting board is ultra-resistant with a non-slip underside for food preparation.

Its two raised edges make slicing and chopping easier. The spikes hold food in place for cutting or peeling. The spikes are removable. Food-grade polycarbonate and stainless steel.

Dishwasher safe.

Dimensions : 26 x 18 cm.
