

PositPro leg separator

- Waterproof and disinfectable
- Anti-bacterial treatment

The PositPro leg separator secures and protects the legs of a person in a wheelchair with soft, comfortable support. It features a double Velcro strap that wraps around the legs. The inside of the divider is filled with 50-60 kg/m3 viscoelastic memory foam flakes for comfort and ventilation. The polyurethane-coated polyester cover is waterproof, can be disinfected with all standard products, and is treated with an antibacterial agent.

Dimensions: width $9/26 \times depth 16 \times height 20 cm$. Strap length: 63 cm on each side of the cushion.

Weight: 500 g. Colour: grey.
