

Gel comfort seat cushion

- **The comfort of the gel combined with the foam**

Our cushion will improve the comfort of your usual seat. Its design is unique. It is made up of 2 layers of comfort foam in between which a gel pouch helps to distribute pressure, thus improving posture and comfort when sitting for long periods of time. The top of the cushion is made of very soft, temperature-regulating fleece-type polyester. Removable cover, washable at 40°.
