

## Primo toilet raiser with armrests

- 811129

- **Hinged armrests**

Our Primo lift has 2 folding armrests. When raised, they allow you to transfer easily to the side, and when lowered, they allow you to lean on them to stand up from the toilet. The armrest is anatomically shaped and tilted forward for your comfort. It is firmly fixed with its rear brackets and front clamping mechanism.

High density polyethylene and aluminium. Raises your toilet bowl by 12.5 cm.

Overall dimensions: width 50 x depth 45 x height 25 cm.

Central recess: width 19 x depth 24 cm.

Maximum supported weight: 130 kg
