

Classic calendar clock

- 817224

- **An ideal tool for disoriented people**

Our large Classic 2 calendar clock (32 x 32 cm) makes it easier to find your way around thanks to its clear display of the day, date and year. It has a large clock section with a quartz movement. It also indicates the morning or afternoon. The year can be changed manually thanks to a collection of figures provided.

An ideal tool for disoriented people.

Works with 1 AA battery and 2 C batteries not included.

Autostable on a piece of furniture or can be fixed to the wall.

Dimensions: width 32 x height. 32 x depth 10.5 cm. Weight: 1.7 kg.
