- **A soft backrest for exceptional comfort**
- **Flip-up armrests for easy transfer**
- **Structure guaranteed for life**

Our Maldives shower chair is equipped with a seat and backrest upholstered in foam to give exceptional seating comfort to people with reduced mobility. Its lift-up armrests are very useful for getting up and down more easily. The unit can be folded up against the wall to leave the shower cubicle free for other members of the family. Model with full seat. Not intended for repeated lateral transfers. Epoxy painted stainless steel structure.
