(Disponible sous 21 jours)

- Equipped - 827041
(Disponible sous 21 jours)

- **Standard model or equipped**
- **Wide choice of colours according to the Ecopostural colour chart**
- **The entire Ecopostural range is available on request - Contact us!**

The Ecopostural range of tables is robust and easy to use. It is made from an epoxy-coated steel frame, an electric lift, a 5 cm thick medium-firm polyurethane foam cushion and waterproof, disinfectable PVC/polyester upholstery with M2 fire rating and Sanitized® treatment. Equipped as standard with a sheet roll holder and a face cut-out. Choice of colours from the Ecopostural colour chart.

Choice of 2 Ecopostural 3-section tables :

- Standard model - Table with 70° reclining headrest operated by a side wheel and 25° liftable half-plateau operated by a rack and pinion system. Electric height adjustment by large foot pedal. Equipped with wheels for easy movement.
Dimensions : Length 198 (75 + 62 + 60) x width 62 x height 47 to 90 cm.
