

Georgette cutlery

- 3 in 1: Knife, fork and spoon in one product
- Models for right-handed, left-handed and ambidextrous users

The Georgette cutlery set is unique, combining a spoon, knife and fork in one piece. It is attractive, practical and ergonomic.

Ambidextrous model with a more economical design, featuring a spoon at the other end.

Stainless steel. Length: 19 cm. Weight: 70 g.
