

Seahorse Plus shower / toilet chair

- Large - 822303

- Medium - 822302

- Small - 822301

- Multipurpose & innovative
- A wide range of equipment to suit all users needs

The new Seahorse Plus shower or toilet chair for disabled children retains the functionality and versatility of the previous model but offers additional features. This shower chair for disabled people is versatile due to its shower function with reclining positions, now operated by a hydraulic actuator (40° angle), and its use on the toilet or with the removable potty.

The unique feature of the Seahorse is that its size can be adjusted simply by replacing the inner padding.

New features of the Seahorse Plus :

Double retractable footrests, tilt adjustment by gas spring with control on the push bar, flexible abduction pad, height-adjustable armrests.

The Seahorse Plus options are:

- Two types of padding (thick or thin)
- Side armrests that can be installed in place of the armrests.
- Complete 4-point harness available for all 3 sizes in male or female versions (different design).
