- **Versatile & innovative**
- **A large choice of equipment according to your needs**

The new Seahorse Plus shower or toilet chair retains the functionality and versatility of the previous model but offers additional possibilities. This shower chair is versatile thanks to its shower use with relaxing positions now manoeuvrable by gas spring (40° tilt), use on toilet or with the removable bucket.

The specificity of the Seahorse is that its size can only be changed by replacing the interior upholstery.

The innovations of the Seahorse Plus :

Retractable double footrest, tilt adjustment by gas cylinder with push bar control, flexible abduction pad, height adjustable armrests.

Seahorse Plus options:

- 2 thickness for the upholstery (thick or thin)
- The side armrests that can be installed in place of the armrests.
- The 4-point full body harness available for all 3 sizes in men's or women's version (different design).

Passage height for toilet :

Small: 46.1/56.9 cm, medium & large 44.2/55.1 cm.

Maximum user weight: 64 kg, medium 102 kg, large 152 kg.

Maximum length in relaxed position :

Small 120.9 cm, medium 141.3 cm and large 148.8 cm.

Supplied with headrest as standard.
