

Secucare lifting bar

- 815176

- **Anti-corrosion matt anodised aluminium**
- **Specially adapted shape to help stand up**

The Secucare grab bars are very robust and ergonomic thanks to their oblong handrail. White covers made of impact- and scratch-resistant high-gloss ABS. The aluminium part can be cut to size if required. Anodised matt anti-corrosion aluminium

30 + 30 cm lifting bar.

Maximum supported weight 150 kg.
