

Malte suspended toilet armrests

- 811162

- **Without any obstacles on the ground**
- **Robust and ultra-stable**

Our Malte toilet armrests fit most toilet bowls. They make it much easier to sit down and stand up, supported by stable and safe armrests. They can be installed under your existing toilet seat or under your toilet extension. They have 2 adjustable positions in width, to adapt to all morphologies. Integrated toilet paper holder. Steel structure and foam handles.

Dimensions: width 48 x depth 24 cm. Height of the armrests in relation to the toilet bowl 26 to 38 cm in 6 positions. Distance between centres 15 cm.

Maximum supported weight 180 kg.
