

PositPro cervical cushion

- Aubergine - 829086.A

- Grey - 829086

- **Positioning cushion that supports the neck and cervical vertebrae**
- **Material resulting from the latest innovations: technigel fibre and Steritex® wrap.**

The PositPro cushions feature Technigel fibre, which provides exceptional comfort for patients. It exceeds the comfort performance of current polyester fibres, is lighter and, above all, has a memory effect. It allows for optimal positioning to relieve pressure points.

They come with a removable Steritex cover, made from the most resistant polyurethane on the market. Innovative, ventilated and waterproof coating on a bi-elastic knitted base. Ideal for decontamination in care homes and suitable for the most stringent requirements in environments with a risk of contamination.

Its resistance to maintenance makes Steritex a product that is highly appreciated by hygiene services. Washable at 95°C. Resistant to chlorine and autoclaving.

Very soft and comfortable to the touch. 100% cotton fibre cover.

Dimensions: 57 x 23 cm
