Hip protectors

- S - 113013.S
- M - 113013.M
- L - 113013.L
- XL - 113013.XL

- **Limits trauma to the femoral neck**

Our belt fits over your usual clothes at hip level, thanks to a wide hook and loop fastener. Very easy to position. Stretchy, breathable neoprene fabric. Absorbs and distributes pressure, thanks to its two high density foam side pads.

4 sizes available depending on hip circumference
- Size S : For hip circumference between 90 and 105 cm
- Size M : For hip circumference between 105 and 115 cm
- Size L : For hip circumference between 115 and 125 cm
- Size XL : For hip circumference between 125 and 140 cm
