

## Iliade high-strength bar

- 60 cm - 812049

- **Heavy-duty stainless steel structure with nylon coating**
- **Available in 3 lengths**

Our Iliade support bars are very resistant thanks to their 4-point brackets with wall insulation and screw covers. The non-slip handrail guarantees optimum safety in use.

Comfortable large diameter 35 mm.

The robustness of stainless steel and the softness of nylon.

(The 45cm bar is no longer available for sale).
