

Umbrella stick

- 816058

- **Stick and umbrella all-in-one**

This umbrella stick is used exactly like a classic walking stick, with a non-slip pad, a rigid core and an ergonomic and comfortable handle. When it starts raining, you detach the cane from the umbrella and can continue walking. The tip is then also non-slip.

Cane height 84 cm (with umbrella 86 cm). Open width 106 cm. Handle length 13 cm.

Weight 660 gr.

Maximum supported weight 100 kg.
