

Konjac sponge

- Classic -

- XL - 817279

- **100% natural, biodegradable, paraben-free, no colorants or additives**

Konjac is a natural plant from which the root is extracted and has long been used as a therapeutic food. The agglomerated root sponges cleanse, purify and exfoliate the skin gently and deeply, balancing the skin's PH, eliminating excess sebum.

100% natural, biodegradable, paraben free, no colouring agents or additives.
