

Non-slip step

This step is ideal for reaching the top of a cupboard for example. The upper part is fitted with anti-slip strips and the feet are perfectly stable. The height of 25 cm prevents the use of a bulky stepladder or an unstable chair. Folds in an instant for optimum storage. Dimensions: width 33 x depth 22 x height 26.5 cm. Material PP and TPR.

Weight 1 kg.

Maximum authorised weight 150 kg
