

Non-slip stepping stool

This stepping stool is ideal for reaching high places such as cupboards. The surface is equipped with non-slip strips and the legs are perfectly stable. The 25 cm height eliminates the need for a bulky stepladder or unstable chair. Folds away in an instant for optimal storage.

Material: PP and TPR.

Dimensions : width 33 x depth 22 x height 26.5 cm.

Weight : 1 kg.

Maximum user weight : 150 kg
