Tasmanie compact bed table

- 823025

- **Easy storage for carehomes**
- **Moulded MDF tray**

The compact Tasmanie table features a 90° tabletop rotation function and a base design that allows tables to be stacked against each other. Its moulded MDF tabletop is very easy to maintain and its anatomical design is very practical. As with the entire Tasmanie range, the tabletop can be raised with one hand without triggering the hydraulic actuator. Easy storage for carehomes.
Moulded MDF tabletop.
Equipped with 2 wheels with brakes.

Base dimensions : width 85 x depth 40 cm.
Passage width : 74 cm.
Tabletop dimensions : width 80 x depth 39 x height 79 to 112 cm.
