Tasmanie bed table

- 1 tray - 823021
- 2 trays - 823022
- 4 trays - 823023

- **Elegant base in matt black**
- **Compressed moulded MDF shelves**
- **High-assistance hydraulic actuator**

The Tasmanie bed tables are suitable for use in care homes and allow patients to eat or read in bed. Their easy-lift mechanism allows the tabletop to be raised easily with one hand without activating the gas lift. The sturdy and elegant U-shaped base allows the table to be used in bed, but also with a chair or armchair. Its oval tube base is very elegant and sturdy.
Wheels made entirely of plastic, two of which have brakes.

Tray height adjustable from 79 to 114 cm.

Base dimensions : width 71 x depth 45 cm.
Passage width : 59 cm.
