IDENTITÉS

Primo comfort rise and recline armchair

- Chocolate Leatherette - 821012.CHOC

- Grey mottled fabric - 821012.GRIS

- **Electric armchair with reclining and rising position**
- **Sturdy padded leg rest**
- **Interior storage pocket**

The contemporary design of the Primo Confort rise and recline armchair fits into any interior. It is electric and has a reinforced painted steel frame that can comfortably support users weighing up to 120 kg. Using the remote control, users can recline into a relaxed position or stand up gently. The curved backrest provides good head support and exceptional seating comfort.
Equipped with a sturdy padded leg rest. Handy pocket for storing the remote control and other items.
Seat, leg rest and armrests in high-resilience polyurethane foam 60 kg/m3.
Backrest in hollow polyester fibres for soft comfort.

Overall dimensions : width 66 x depth 92/159 x height 102/80.5 cm.
