

## Hurrycane walking cane

- Blue - 816099.BLEU
- Black - 816099.NOIR
- Red - 816099.ROUGE
- Violet - 816099.VIOLET

- **Incredible stability**
- **Unique design for dynamic walking**

The Hurrycane walking cane has a revolutionary stabilising tip. This tip swivels 360°, which gives a very dynamic and safe walking effect. When you put it down, the cane stands on its own, with extraordinary stability. It is foldable. The ergonomic handle made of soft bi-material is very comfortable.

Light and resistant aluminium structure. Height adjustable from 77 to 95 cm. Base diameter 9 cm. Weight 460 gr.

Resistance 150 kg.

4 colours available: Black, blue, red or purple.

### **Variantes :**
