Vegelya neck cushion for travelling

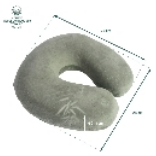

- 855102

- **Provides neck support, ideal for car, train or plane travel**
- **Enjoy all the benefits of natural memory foam technology**

The Vegelya neck pillow has been specially designed for travel. It moulds perfectly to the shape of the neck, providing comfortable support so the user can rest or read without discomfort. Ideal for use in the car, on the train or on a plane.
Dimensions : Width 28 cm x depth 28 cm x thickness 6 to 11 cm.

Material : D50 viscoelastic memory foam enriched with bamboo activated carbon. Grey velvet covers 75% cotton – 25% polyester

This comfort range offers exceptional comfort with high-quality components. The Vegelya foam used is a highly resilient viscoelastic memory foam enriched with bamboo activated carbon.

The benefits of memory foam:
It allows you to float in the pillow or cushion by moulding itself to the shape of your body. This high-resilience foam provides exceptional comfort by preventing pressure points on your skin, while allowing air to circulate to keep it cool.

The benefits of bamboo activated carbon:
Bamboo has recognised temperature-regulating properties, helping to limit heat build-up and absorb moisture from your foam. Activated carbon prevents bacteria and dust mites from settling inside your cushion.
Thick anthracite grey velvet cover, machine washable at 40°.
