BigGrip Soup spoon

- Standard - 813110

- **Original and useful form**
- **Standard model, available in ballasted version**

The original shape of this BigGrip soup spoon, which is deeper than a standard spoon, enables the user to scoop up liquid and, above all, semi-liquid foods with minimal spillage. It has a 3 mm straight rim.
Its ergonomic rubber handle is comfortable and non-slip, making it easy to grip even when wet.
It is possible to bend the spoon to find the angle that suits the user's needs. Stainless steel utensil.

Dishwasher safe.
