

Gripoballs + Gripograms + Gripofix kit

- 813258

Kit containing 3 products designed to improve grip for eating.

3 Gripoballs : The 2 easy-to-adjust notches allow tools or utensils to be inserted, making them easier to use with the palm of the hand without bending the fingers too much.

Set of 5 Gripograms : Tools that act as weights to add weight to your Gripoballs. They simply slot into the sphere and help to reduce shaking.

Weight of each ball : 10g. Stainless steel.

Gripofix : A handy metacarpal strap for securing the tool to the hand. Used with a Gripoball, they provide optimal comfort during use.
