

Gripoballs + Gripograms + Gripofix Kit

- 813258

Kit including 3 products to improve grip for eating.

3 Gripoballs: Its 2 notches, which are easy to adjust, allow the insertion of tools or utensils to facilitate their use with the palm of the hand without bending the fingers too much.

Set of 5 Gripograms: Tools used as weights to ballast your Gripoballs. They are simply placed in the sphere and help to limit shaking.

Weight of a ball: 10g.

Stainless steel.

Gripofix : Very practical metacarpal bracelet to fix the utensil by hand. Accompanied by a Gripoball, they give an optimal comfort of use.
