- Compact electric armchair available with a choice of 1 or 2 Okin motors
- Sleek design to suit all interiors
- New intuitive remote control

The Mint electric lifting chair allows the user to relax comfortably and provides assistance when they wish to stand up. It is available with one or two motors. The 2-motor version allows them to operate the backrest independently of the leg rest for a customised position, and also allows them to relax into a more reclined position.

Choice of 3 upholstery options : grey mottled fabric, chocolate coloured imitation leather (waterproof) or taupe microfibre.

Choice of 1 or 2 motors.

Overall dimensions : width 77 x depth 83/163 or 172 x height 110 cm.
