

Moovy manual toilet/shower and transfer chair

- **Multi-purposes - 3 uses**
- **Smooth pickup and transfer**
- **Usage video available below**

The Moovy chair is an ideal companion at home or for medical structures to transport people to the shower or toilet area. Indeed, its design allows you to pick up a patient sitting on his bed. The seat opens 360° from the back to slide under the patient on each side. Once the seat is tightened and the backrest secured by the double buckle belt (double safety belt), you can transfer the patient safely. The person is comfortably seated thanks to the soft, polyurethane backrest, the ergonomic seat and the footrests. Equipped with an infusion support. The handles are very comfortable and ergonomic for the caregivers. 4 silent medical resistance wheels with brakes. (front wheels diameter 12.5 cm and back wheel diameter 7.5 cm) Supplied with a safety belt, a removable bucket and a comfortable seat. Painted 2.0 medical galvanised steel frame, ABS seat and polyurethane foam backrest. Rubber handles.
