

Facilotab Ruby Wifi / 4G tablet

- 819174

The advantage of Facilotab is that it offers an easy-to-use environment where mistakes are impossible. Numerous special features ensure its success with beginners and seniors :

- alphabetical keyboard,
- powerful zoom,
- voice recognition,
- anti-shake system,
- special AMDRA font,
- automatic photo sorting.

This tablet for seniors is 100% compatible with Android apps.

Ideal for family video conferences, games, administrative tasks, home deliveries, and even telemedicine.

The Facilotab range includes an Android 9 tablet based on LENOVO, combining stylish design and high audiovisual performance.

The Facilotab Rubis is powered by a 2 GHz (quad-core) 64-bit processor, 2 GB of RAM and 32 GB of storage. It also stands out with its beautiful 10.1-inch 1280 x 800p screen and cameras (5 MP and 2 MP).

Available in eight languages: German, English, French, Spanish, Italian, Dutch, Polish and Portuguese.
