Facilotab Ruby WIFI/4G tablet

- 819174

Facilotab's strength is that it offers an ultra-intuitive environment where no false manipulation is possible.

Numerous specific features ensure its success with neophytes and seniors:
- alphabetical keyboard,
- powerful zooms,
- voice recognition,
- anti-shake system,
- special AMD font,
- automatic photo sorting.

100% compatible with Android apps.
Ideal for family videoconferencing, games, administrative procedures, home deliveries, or even tele-medicine.

The Facilotab range includes an Android 9 tablet based on LENOVO that combines a sleek design with high audiovisual performance.

The Facilotab Ruby is powered by a 2 GHz (quad-core) 64-bit processor, 2 GB of RAM and 32 GB of storage. It also stands out with its beautiful 10.1-inch 1280 x 800p screen and cameras (5 MP and 2 MP). Available in 8 languages: german, english, french, spanish, italian, dutch, polish and portuguese.

You also get free phone support. (support service only available in France)
