- XL - Pack - 801143.XL

- XXL - Pack - 801143.XXL

Seni Active Classic offers a range of absorbent pants for people with heavy incontinence with its PLUS model. Its pads feature a cellulose pulp cushion offering excellent absorption capacity. Distribution layer (EDS). Complemented by side barriers along the entire length of the pad made of elastic non-woven fabric to protect against leaks in the groin area.

Moisture indicator : a print that becomes blurred when the pad is saturated. Vapour-permeable outer layer over the entire surface.

Exceptional comfort due to its elastic waist band. Even more security with hydrophobic side barriers and a double super-absorbent pad. Keeps the user feeling dry and reduces odours. 'FRONT' printed on the front. Non-woven fabric on the outside. Very soft material. Protects the skin from irritation.

Available in 5 sizes :

- S : Dimensions 55-85 cm. Absorption 1900ml. Box of 8 x 10.

- M : Dimensions 80-110 cm. Absorption 2000ml. Box of 8 x 10.

- L : Dimensions 100-135 cm. Absorption 2000 ml. Box of 8 x 10.
