

Seni soft underpads - SUPER

Our range of Seni Soft absorbent underpads is the ideal solution to protect sheets. The comfort is guaranteed because the composition of the undersheets is in non-woven and soft with an additional safety with the help of the plasticized anti-slip film located on the outside.

The SUPER model is available in 2 sizes allowing an absorption up to 2000ml:

- 90x60
- 90x170

Packed in boxes of 120.

For a lighter absorption need, discover the [Seni Soft underpads - NORMAL](#).
