

SeniCare washing and oiling body lotion

- 803200

Recommended for personal hygiene, especially for dry and sensitive skin.

It gently cleanses and nourishes the skin.

Due to its pH 5, the lotion respects the skin's natural protective barrier.

Active ingredients : organic flax complex (1), panthenol (2), lactic acid (3).

500ml pump bottle.

Date d'impression : 03/08/2025
