Seni foam shampoo for waterless washing

- 803202

Clean, fresh hair without rinsing, a new quick and effective method : practical application for all hair types. Ideal for scalp cleansing without using water for elderly, disabled and bedridden people where it is difficult to wash hair in the traditional way. Practical and recommended in any situation where access to water is limited.
Active ingredients : organic flax complex (1), DeoPlex® (a gentle but effective odour neutraliser).
500ml bottle.

Date d'impression : 12/11/2026
