

Swingeasy walking stick

- Bronze - 816112.BRONZE

- Black - 816112.NOIR

- Red - 816112.ROUGE

- Hinged and spring-loaded tip
- Ultra-rigid aluminum

Cane with a very good quality finish due to its very resistant granulated paint. Its base enables the user to limit the impact of regular walking: it is equipped with a very comfortable spring and a ball-and-socket joint, enabling it to cover all types of grounds without slipping. Very comfortable anatomical handle. Equipped with an anti-noise clamping ring.

Aluminum frame.

Handle height adjustable from 76 cm to 99 cm in 10 positions.

Cane diameter 19 mm.

Diameter of tip 40 mm.

3 colours available.

Weight 310 gr.

Variantes :

- Bronze
- Black
- Red
