Hand sanitiser foam

- **Suitable for children aged 3 months and older**

An alcohol-free alternative for sensitive skin.
Formulated with lactic acid. A 100% plant-based active ingredient. It helps prevent the spread of coronavirus and flu while providing comfort and protection thanks to its moisturising agent.
Suitable for adults, children and babies from 3 months old.
50ml bottle.

Date d'impression : 12/11/2026
